

Hello 5SG!

I hope you've all been safe and happy during this time away from school, I also hope you haven't been driving your parents too crazy. I miss you guys and the strange things you come out with and I can't wait to hear about what you've been getting up to.

I've been trying to teach myself how to play guitar whilst I've been away from school to keep myself busy. I have to admit, I'm not that great but the neighbours haven't complained yet. Have any of you been learning anything new or trying to teach your siblings how to do something? I can't wait to hear about it.

I've considered getting tik-tok so we can all have a dance off when we see each other again. Have any of you been practicing or having dance offs at home?

I took the butterflies home during my break and 4 have come out of their cocoons already! I'm going to let them free and into the wild on Monday whilst I'm at school. I've been trying to watch them to see what happens when they come out of their cocoons but I always miss it. Here are some pictures of the butterflies in their net.

I hope you're all staying safe and looking after each other. I know this is a strange time but hopefully it'll be over soon. This job isn't easy however, you guys have made it a little bit easier and enjoyable by just being yourselves. I can't wait to see you all again and to hear about what you have (or haven't) been up to.

Mrs Heart misses you all too and she's been keeping busy organising a lot of our resources.

In the meantime, I've attached some pictures of my mum's dogs to keep you all entertained, their names are Chrissy and Star.

I miss you all, please stay safe!

Love from Miss Graham
