

Hello Everyone!

I have spent much of the last 2 weeks in school with some of you. It has been a strange couple of weeks but in other ways has been really lovely to get to know some of you so much better! 🤔

We have been busy doing lots of different activities and have also worked hard to clear up the bio dome. Last week

some of the children planted sunflower seeds so

we will have to see which ones grow the tallest! We have also built paper towers to support 1kg weights and done a lot of Joe Wicks!

Now I am at home for a bit, I will be spending some more time with my 3 boys. We are going to tidy the garden and plant the seeds we want to grow this year. The chickens are definitely enjoying having us around a bit more but they are very nosy and like to get involved with whatever job you are trying to get done! They have a dust bath under our trampoline where they love to go scrabbling. I am looking forward to sitting down with a good book – I hope you have had some time to enjoy your favourite authors!

I hope you are all keeping well, have a lovely Easter (with lots of chocolate!) and I look forward to seeing you all back in the classroom soon.

Love from

Mrs Florido xx
