

Hello Year 6,

Well this has been a rather odd two weeks without you all. In my 28 years of teaching, I can honestly say that I have never missed a class, as much as I have missed you.

How are you all doing with the tasks set for you? If you have finished your biography writing- could you make it look like a book? Design its front and back cover?

It is important to have free time as well. Art is a great way of showing feelings and getting rid of stress. Rubie and I painted pebbles- Picasso style ☐. We are going to do some more with other themes- bugs, Minions etc. We are then going to put them all around the garden.

Rubie has kept me very busy with her home learning- I have become a Science professional ☐♀☐.

I have been using a website called Duolingo ( it is free) to brush up my French skills- ready to amaze you all when you come back☐

This week I am writing all the plans for Summer- with lots of D &T things for us to do. I think we will have to get the saws and glue guns out again ( as you can imagine Mrs Reed will love it ☐).

As promised, we will make some bread as well- not with marmite!

I have had lots of chats with Mrs Reed (we've been using HouseParty- go team6!) and she also misses you all- she is busy at home making displays for French and English.

Be good, kind and safe my little chickpeas- see you soon, love

Mrs T xxxx
