ISSUE 2

2ND OCTOBER 2020

Message from Mrs McGuigan

We can not believe that October is here already! The children have all settled back into school routines really well and we are enjoying getting to know all of our new Year 3 children. We have all been very grateful for all of the support that you have given over the past month.

Thank you for helping us to keep the school community safe by keeping children off school when unwell and booking Covid tests when the children or family members are displaying potential symptoms. We are also grateful for you keeping us up to date with test results and ensuring that self-isolation and quarantine periods are strictly adhered to. We

have all had to make so many adjustments but I am sure you agree that is a small price to pay to have all of the children safely back in school.

Help us keep the school open – please remember to wear a mask on the playground, adhere to the 2M social distance rules and leave the playground as quickly as possible.

**Reminder: Please remember to return the signed, yellow part of
the Home School Agreement**

Head Boy & Girl

We are so happy to be elected, here is both of our points of view:

We will help your children throughout the year so they can get know the school and what happens here.

Hello, my name is Alexander T. and I am Head Boy. I am so pleased to be chosen, I never realised that I would be Head Boy. I think my main role will be to help the other children in school be the best they can. I hope to achieve trust from the other children and to be able to help them whenever I can.

Hi, I am Lilia N. and I am Head Girl. We consider this school our home and I hope your children will feel the same way once they have read this.

Thank you very much.

Bronze Ambassadors

We are the Bronze Ambassadors. We want to help people in our school with sports. We want to make clubs and make our community healthier. We hope to compete in competitions and get our school to compete. We are working towards a bronze leadership certificate.

By Caitlin & Storm

Our names are Ashton and Maisie and we are the activity leaders. Our plan is to make lunch time clubs where anyone can join and to improve peoples fitness and lifestyles. We will be using Change 4 Life to support us in our time as activity leaders.

Learning in school:

In year 5 we have been learning about the solar system and we are making our own! We are using paper mache to make the planets. We can't wait to finish our models and it will help us remember the facts we have learnt.

Year 3 have been looking at examples of pop art and have used bright colours to create their own.

Y5 Learning Objective

LO: To understand what it felt like to be a slave being sold at auction.

Dear Diary: This is awful... I am being scrubbed so bad right now. I'm really worried about what's going to happen next. I'm so tired. It felt like doomsday. I've had to say goodbye to my mama, papa, brother and sister very early in the morning today. I didn't know what time it was, all I could smell was blood and other horrible stuff, I could barely even smell the sea.

It felt so miserable, I watched as all the other slaves were being dragged along to their new 'home'....
By Rosalee O.

Y3 Learning Objective

LO: To write the end section of a fable.

The spotted snake speedily slithered away. So the greedy gorilla didn't get mad at him. Soon the snake said I was the one who painted the pickle. The selfish, greedy gorilla was furious he was full of anger. The next day the snake found the gorilla and the snake and gorilla became best friends. The gorilla finally learnt his lesson.
