

# Google Meet protocol at Holtsmere End Junior School

The school's preferred method for face to face contact is *Google Meet*. This will allow teachers and staff to make contact with pupils, share information and conduct meetings.

The purpose of *Google Meet* calls can include:

- regular face to face contact with as many children as possible in the class
- allowing teachers to share learning overviews with children
- checking in on children's learning and/or wellbeing
- show and share learning with the class and celebrate achievements during the week

Teachers may also use these opportunities to share stories, answer questions, lead debates and lead very short teaching sessions e.g. to explain some tasks in more detail.

**PLEASE NOTE: These sessions are for children, not adults/parents.** When your child is accepted into a video chat by their teacher there are certain guidelines we all must follow.

Children	Teachers	Parents/carers
<ul style="list-style-type: none"> <li>• Should mute themselves and only unmute when asked to.</li> <li>• Must wear suitable clothing, as should anyone else in your home.</li> <li>• Should find a suitable quiet environment.</li> <li>• Should always keep their language and interaction appropriate, as they would in face to face conversations, whether with teachers, or their friends.</li> <li>• Are expected to attend all teacher scheduled Meets, unless the teacher has been previously notified.</li> <li>• Should ALWAYS make sure they leave the Meet. Always double check and get in the habit of closing your laptop when not in use, to prevent the camera from working regardless.</li> <li>• Children MUST use the raised hand icon if they want to ask a question.</li> </ul>	<ul style="list-style-type: none"> <li>* All Google Meet sessions will be led by the teacher whilst in the school setting.</li> <li>* Teachers will not allow attendees to join before host and they will keep a list of attendees. Teachers need to send the link rather than an invite so the pupils can't join until the teacher joins and the teacher has to let everyone in.</li> <li>* Teachers will make expectations and meeting conduct clear at the beginning of each meeting, including the school rules.</li> <li>* Teachers will ensure no one else is on view from the camera, wear suitable and appropriate clothing.</li> </ul>	<ul style="list-style-type: none"> <li>• Parents have ultimate responsibility to make sure children not only attend, but follow the correct protocols when online Google Meetings are scheduled with teachers.</li> <li>• Please help your child set up and access the Google Meet lesson</li> <li>• Please make sure that your child is ready 5 minutes before the advertised start of the meeting.</li> <li>• Please ensure your child is appropriately dressed for meetings. We would expect pupils to be dressed as though it was a non-uniform day.</li> <li>• Please ensure other family members are appropriately dressed and out of camera shot and do not contribute to the video call.</li> <li>• Please discuss with your child the appropriate way to behave in the meeting - in the same way as if they were in</li> </ul>
