Holtsmere End Junior School Newsletter

ISSUE 2

17TH DECEMBER 2021

Message from Mrs McGuigan

What another strange year 2021 has been! The Autumn term has been an extremely busy term with children working hard throughout!

The children have continued to enjoy trips this term and visitors in school which have all contributed to their understanding of the wider curriculum.

We have tried to ensure the end of term has been as normal as possible for the children by continuing to offer a range of experiences, including the school pantomime. The Year 3 and 4 Christmas play was a huge success and enjoyed by all, once again we thank all the parents and carers that came to watch and respected our requests to wear masks. All the children have a great deal to be proud of.

The annual school carol service, that usually takes place at St Mary's Church, has taken place in school via zoom and well done to the Year 6 pupils who read the lines beautifully.

The annual 'Holtsmere's Got Talent' show took place on the last day of term and was enjoyed by children via zoom again this year. It is always a great opportunity for children to share their talents with the rest of the school!

We wish all our families a very happy, safe, Christmas and new year from all the staff at Holtsmere. We look forward to seeing you back in school on Thursday 6th January 2022.

Thank you to the HSA for their hard work and continuing support.

The staff would like to thank all the parents and children for their gifts and cards, they are very much appreciated

CHRISTMAS DINNER & PANTO - 8TH DECEMBER

PANTOMIME:

Firstly, there was a beautiful palace and inside lived Beauty, her dad, Pip. There was a wicked witch who wanted to put a spell on Beauty because the witch wanted to marry her dad! They needed money to keep the palace up. All of them wanted to turn the palace into a palace hotel. Every year they had a big Christmas party. Finally the witch thought of a plan, it was a box that when Beauty opened it she would spin a wheel and then she would fall asleep for 100 years. Pip bought her a box as well which was a beautiful dress for Beauty's dance competition. Beauty opened the box which had the dress in and the witch lied and said that it was her box!

I believe everybody enjoyed it. It was brilliant !!!

Year 4 Catapult Workshop:

Wear something spotty for Children in Need
raised a grand total of:

£ 263.35

Year 6 Harry Potter Trip

Ahead of their new writing topic for the Spring term, Year 6 went to the Harry Potter Studio Tour on 14/12/21 and had a fantastic time exploring all the behind the scenes sets, costumes and props of the films. It was a truly magical day.

Next page for pictures ...

Year 6 Field Guide to Mythical Beasts spotted at Holtsmere

Pheo-nig: This creature is extremely rare and if you are lucky enough to find one approach with caution, its benevolent as long as you don't appear a threat. It can be found in forests with demolished ruins where it perches, with its flaming hot wings, on pillars. Its breed is of a pig and a phoenix, while its species are on the brink of extinction. If you are ever near one, be dead silent or be scorched.

Behaviour: The Pheo-nigs behaviour is very odd and specific, it is kind and benevolent but if you appear a threat it will go rogue and demonic to shield itself and its young. It will shoot fire out of its jaws to scorch the target inside out. Its vision is like an eagles and it will spot you from miles away.

By: Mayson 6D

Frowg: The Frowg is a hybrid of a frog and a cow. This benevolent creature likes to laze in the moonlight and eat lots of fish. On the other hand, it is mostly found sitting on the end of the pond playing with lily pads. Frowgs (who are very green) loved being looked at and getting lots of love. Even though this creature seems nice, it can be dangerous.

Behaviour: These benevolent animals are very loyal. Even though they sound extremely odd they are very endearing. They love getting lots of hugs and treats like their favourite food: hay covered in fish. When the moon swallows the sun Frowgs like to lay in the middle of fields.
