11TH MARCH 2022

Message from Mrs McGuigan

The weeks continue to pass quickly and as we move through this Spring term we are now beginning to see some warmer weather and some sunshine at last. Thank you to all parents who attended Learning Review meetings. We hope that they were both informative and useful. Please do remember that these evenings are not the only way in which we communicate with parents please do continue to communicate via link books, email the school office or come in after school to see class teachers if you have any worries or concerns.

I want to thank you all for the support you gave the school on World Book Day. I know it is not easy to organise costumes for favourite book characters but the children looked amazing. It was great to see children throughout the whole school on World Book day listening to teachers read a range of new books that we have purchased that include characters with autism and ADHD as well as physical disabilities. Children now seem more motivated to read the books introduced to them as part of the day! Reading continues to be a priority of the school. Please ensure your child continues to read at home.

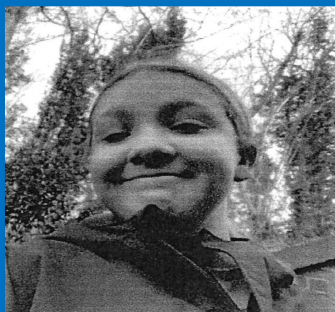

The recent news has been dominated with awful stories and images of the recent Russian invasion of Ukraine. This is probably something that many of your children are asking questions about. The DfE have published the following about talking to children about this. It is worth a read and may help you discuss the situation and answer your children's questions 'Help for teachers and families to talk to pupils about Russia's invasion of Ukraine and how to help them avoid misinformation'

Copy and paste the following into your browser:
<https://educationhub.blog.gov.uk/>

2022 Challenge

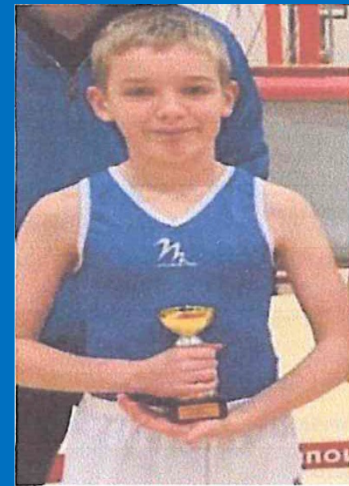

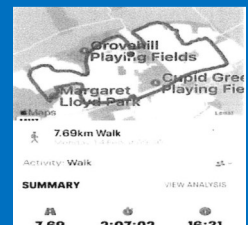

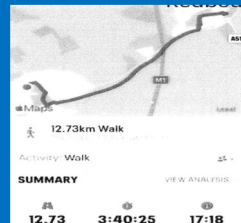

The children went all out for the 2022 challenge and in total they raised £2834.35 with 98 children taking part.

Grace walked 24.76Km's over 4 walks

7.69km, 1.04km, 3.3km and 12.73km

Nathan completed 22 hours of Gymnastics . 3 hrs in competition, 14 hrs of advanced gymnast training, 2.5 hrs assisting Sapphire Coaching and 2.5 hrs advanced gymnast club.

WELL DONE EVERYONE

All the children who took part in 2022 challenge received a certificate and medal.

Ukraine Appeal

Thank you to all the parents and children who brought in a huge amount of donations for the Ukraine appeal. ←

They were very gratefully received at the community centre. →

Year 3 & 4

Year 5 & 6 Basketball Teams

2 weeks ago, Year 6 took part in a basketball competition. It was great fun and we came second. We had an amazing time and everyone was so supportive. It was great to work together as a team.
Louie B. Yr 6

A collage of nine photographs showing children in various costumes during a school event. The costumes include Spider-Man, Cat in the Hat, Star Wars characters, Disney princesses, superheroes like Batman and Iron Man, and other creative outfits. The children are posing in classrooms decorated for the occasion.

Last week for World Book Day, Mrs Deacon read us the first chapter of an exciting new book. The story centres around a boy called Max, who is deaf, finding this miniature world and the adventure it takes him on. It sounds exciting...

Cally and Jimmy - Twins Together by Zoe Antoniadis

I liked that the twins were opposites. She was always neat and he was not neat at all. It seemed really funny - Paris M Yr 4

I like it because they are twins and it is a very good story book - Lucy H Yr 4

World Book Day & Book Reviews ...

Harriet Versus the Galaxy by Samantha Baines

I liked Harriet vs the galaxy because it made you think and then there was a twist that made you think again - Josh K Yr 4

I liked Harriet vs the galaxy as I like the sock muncha. I think he'll eat all the socks and everyone will be left bare foot! - Logan W Yr 4

I really liked it because of the alien - Will C & Thomas S Yr 4

It was fun to listen to - Thomas S Yr 4

Challenge: What does eternity mean to you?

Eternity

Everlasting, perpetuity
Infinity as well for me,
Limitless possibilities
Will we ever achieve immortality?

Life endlessly waits
For the answers to arrive,
Tick, tick, tick
The clocks are waiting to chime.

The Earth endlessly turning,
Will it ever stop?
The answers to those questions
Are tied in a knot.

Will the sun ever stop shining?
Nobody knows,
Hopefully this never happens
As long as time goes.

By Mayson-Michael H Yr 6
