ISSUE

6TH MAY

Message from Mrs McGuigan

It is hard to believe that we are now well in to the summer term and the weeks are flying past towards the end of the school year. The children have been able to make use of the school field due to the sunnier weather again.

We have finally been able to return to whole school assemblies this term and we have been working on the theme of linking the school's 6Rs to the school values.

Each week a different 6R and linked value is chosen, and this is explored, and a target set for all children.

6R	Linked School Value
Remembering	Consideration
Risk	Respect
Resilience	Patience
Resourceful	Appreciation
Reflection	Empathy
Relationships	Kindness

Swimming has been able to start again this term with Year 4 children using the pool at Astley Cooper which is great to see.

We have lots of events to look forward to this term from sports events competing in both a netball tournament and a badminton event before half term.

The Jubilee event on 27th May will be an event to look forward to with all children enjoying a picnic and music outside over lunchtime. We will have a DJ providing music from across the last 70 years! Children can wear red, white and blue on this day.

Message from Mrs McGuigan continued...

Year 6 children will be completing their end of Key Stage 2 assessments next week. It is essential that the children are in school and on time every day. Please help your child by ensuring that they have a reasonable amount of sleep during the week and a good nourishing breakfast each day!

The children will be supported during the week and will be reminded that there are lots of fun activities planned for after the assessment week to look forward to. It is important to remind parents that writing assessments will continue until the end of June when they will be submitted.

GAME ON

On 21st April we had our Year 3 & 4 football festival at Holtsmere End School. Teams from Holtsmere End, Aycliffe Drive, Brockwood and Boxmoor played a series of 6-a-side matches. The standard was very high and all the children seemed to thoroughly enjoy themselves. Whilst we didn't keep scores I know every team one at least one game.

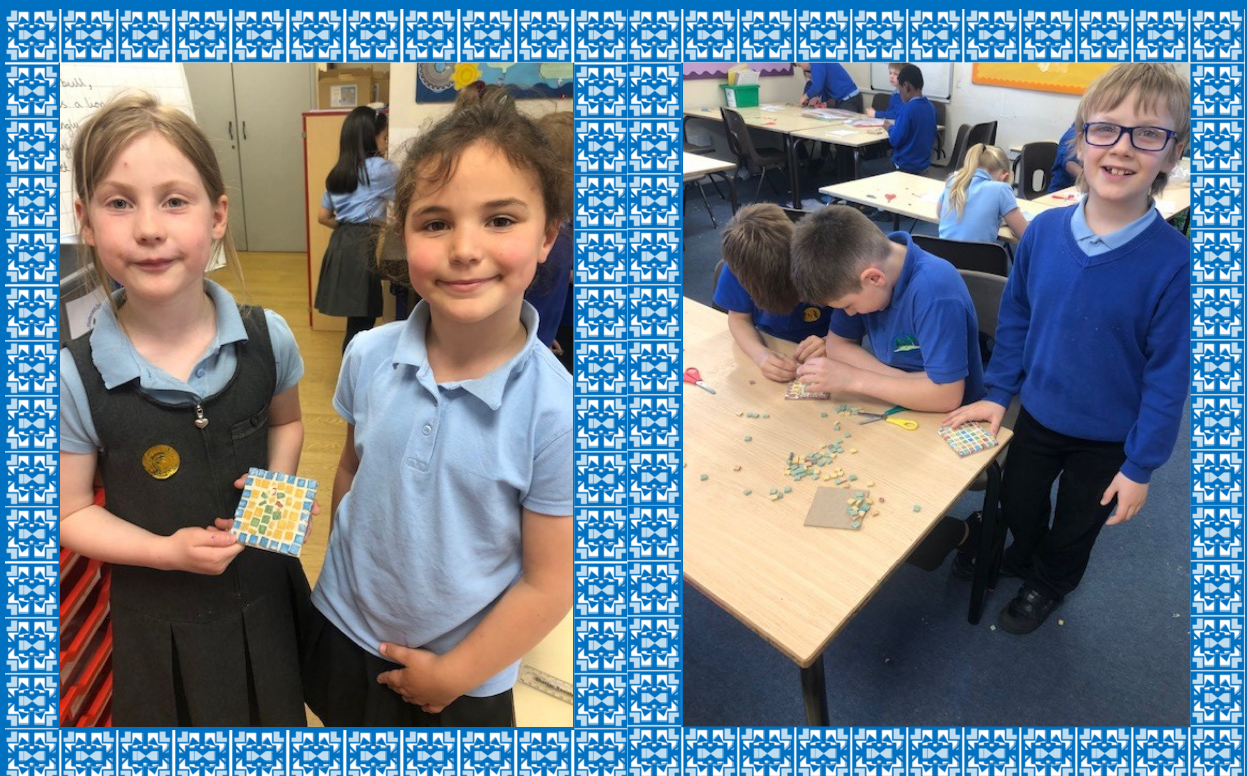

The player of the festival for your team was Lennie T.

Graham Hall - Game On

IMPORTANT: AS THE WEATHER IS WARMING UP IT IS VITAL THAT ALL CHILDREN HAVE A NAMED DRINKING BOTTLE IN SCHOOL

Creating Roman Mosaics in Year 3

Year 3 Roman Day

On Roman day we made bracelets out of clay and badges for clothes. We used wax and charcoal to write. We made oil lamps and then lit them. We bled ourselves and went to the Doctor and got medicine. Oliver R.

Active Playtimes

Eco Committee - Growing Lettuce

I like lettuce because
it tastes like water and
tastes good

I didn't really like the
lettuce but Mrs Robson
said it was incredible
