27TH MAY

Message from Mrs McGuigan

It is amazing how quickly this half term has gone and that we are now halfway through the summer term.

Sport's day

A reminder that sport's day will take place on Wednesday 13th July. We are excited at the prospect of there being no COVID restrictions this year and that family members will be able to attend. We will issue 2 tickets for each family to ensure that we are able to ensure everyone on the school site has a valid reason to be here so that we can keep children safe at all times. More information will be shared nearer the time.

Health and Wellbeing Week

The week beginning Monday 13th June will be a very exciting in school. The children will need their PE kits in school every day! Activities will include;

Monday 13th June	Tuesday 14th June	Wednesday 15th June	Thursday 16th June
Yoga Workshops	Keeping healthy workshops and circuits fitness workshops	Wellbeing team building workshops	Wellbeing team building workshops

We look forward to sharing photos of the week and children's comments in future newsletters!

Year 6 residential trip

The Year 6 annual residential trip will take place this term and preparations have been taking place in order for this trip to be an exciting adventure for the children. If you have any worries or concerns regarding the trip do come in and see a member of staff.

Message from Mrs McGuigan Cont/d...

On Tuesday 25th May the Year 6 children were part of the largest Children's choir in the world, Young Voices at the O2. Over 120,000 excited singing school children aged from 6-13 took part in the event!

Young Voices provides an unrivalled musical opportunity for primary school children to perform all styles of music including folk, pop, rock and classical. Young Voices is designed to unify children from across the region, boost their confidence and provide lifelong memories. Teachers and children practice the dance routines and learn the songs in their music lessons for months before they excitedly come together for the penultimate show at the arena!

Refugee Week

During the week of 27th June, we will be celebrating Refugee week by exploring the cultural heritage and traditions of refugees living in the UK. Through practical activities including weaving, mosaic design, oral story telling and art, the children will journey from country to country to learn about refugees' cultural heritage. In addition to this, the children will be completing a fundraiser event for the Red Cross 'Miles for Refugees' campaign by taking part in walking 108 miles, the same distance Ukrainian refugees would have had to walk from the Ukraine to Poland, around our school running track. More information on this will follow after half term!

Y3 Tie Die

Katie N had an afternoon tea visit with Sir Mike Penning. He's promised to open her 2023 cake sale she's already planning for next year to support St Francis Hospice.

Today we took some foam and dyed it in art!

We took the foam and we wet it after that we put on some gloves so it didn't go on our hands.

After that we carefully dyed it and all we had to do is to give a little squeeze and we also had different styles to do and we had to use elastic bands.

Young Voices

On Tuesday 24th May, year 6 went to the O2 Arena (to take part in Young Voices 2022 (pictures on page 4) . Through out the day, we were all practising the songs. First, we only practised the songs and then the dance moves with the songs.

Next we did a full run through with lights and the celebrities. The Beatbox Collective, Urban Strides and Connie Talbot.

At 7pm the parents came in and we did our final performance until 9pm. It was an amazing experience which we will never forget.
