

HOLTSMERE END JUNIOR SCHOOL

NO SMOKING/E-CIGARETTES/VAPING POLICY

Summer 2022

To be reviewed Summer 2024

We believe that the health and well-being of children is of the utmost importance and we aim to make our setting a safe and healthy place for children, parents/carers, staff and volunteers. Smoking has proved to be a health risk and therefore in accordance with current legislation and the welfare requirements, we operate a strict no smoking policy within our buildings and grounds that applies to staff, parent/carers, volunteers and students.

Procedures:

- All staff, parent/carers, volunteers and students are made aware of our no-smoking/e-cigarettes/vaping policy during inductions.
- We display no-smoking signs.
- Adults working in our setting who smoke will need to do so during their breaks and off the school premises.
